TITLE INDEX

An index to the titles of the registrations listed in the current and renewal sections. Omitted are titles of telephone directories which can be found only under the name of the author, who is usually the claimant. Omitted also are titles of serials and other works which are entered under title. Below each title is the heading, sometimes in abbreviated form, under which the main entry is to be found in the current or renewal section. Renewal registrations are identified by the symbol (R).
